- 3.7 Shelf Life: Unopened: 36 months. Opened: 12 months. Seal containers tightly after use.

4 Instructions for use

- 4.1 In general: Shake well before use. Do not use or dry at temperatures below +10°C and/or relative humidity above 80%.
- 4.2 Application: Turn spray nozzle to "on" position. Hold Bondex Power Cleaner upright and spray directly onto substrate at a distance of around 20 cm. Rub with a scrubber, brush or rag in the direction of the woodgrain. Leave to take effect for app. 1 minute and then rinse with clean water. Bondex Power cleaner is not a substitute for the annual surface treatment of garden furniture (e.g. Bondex Exotic Oil). If a protective treatment of the surface is desired, treat with the Bondex oil suited to the corresponding type of wood:
- 4.3 Cleaning of tools: Hot water

5 Safety precautions

- 5.1 In general: Do not store in areas where food is manufactured or stored. Only store in original containers. Do not mix or use Bondex Power Cleaner with other cleaning agents.
- 5.2 Safety instructions:  Keep out of reach of children. If medical advice is needed, have product container or label at hand. Wear eye or face protection. Wash hands thoroughly after handling. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Use biocides safely. For more information, see our safety data sheet.

6 Disposal

- 6.1 Disposal: Do not dispose of into groundwater, watercourses or the sewage system. Carefully seal Bondex Power Cleaner after use. Dispose of product residue in the original packaging at a suitable waste collection point. Completely empty packaging may be recycled.

The purpose of this Technical Data Sheet is to provide our clients with information about the properties and characteristics of the product. The information provided is based on tests conducted by us under usage conditions that comply with the prevailing standards. Our recommendations for use are for information only, and in no event shall they take precedence over any specific recommendation taking into account the nature and conditions of a particular site, nor shall they engage PPG's liability. Before all applications of the product, clients should check that this document has not been amended by a more recent version, which takes into account new technical data. This version annuls and replaces all previous versions of Technical Data Sheets relating to this product.
